
Galaxy Tab Active5

Rugged on the outside, smart on the inside.

Meet the tough tablet that offers a portable PC-like experience. The Samsung Galaxy Tab Active5 is designed to help frontline teams work in the harshest environments. It's built to work in the dirt and wet. And thanks to the adaptable screen and compatible S Pen, you can keep tapping, typing and sketching without missing a beat—even with your gloves still on.

5G connectivity[1] keeps you online, even when you're far from base. And with fast POGO charging[2] and the replaceable battery,[3] you'll have more than enough power to get you through long days in the field. Then, when you're back at the office, you can easily connect your tablet wirelessly to a compatible TV or monitor with Samsung DeX. The Tab Active5 is also part of Samsung's Enterprise Edition range. That means you get additional security, support and services. And it makes managing your fleet of mobile devices easier too.

More than tough enough.

Take on the toughest work settings without worrying about device damage. The Tab Active5 is IP68[4] and MIL-STD-810H compliant, meaning it can withstand splashes, dust, drops and even extreme temperatures.[5] Its display is shielded by resilient Corning® Gorilla® Glass 5. Even the included S Pen is IP68 compliant, so you'll have no worries scribbling in wet conditions.

Whether you're sketching in the rain or accessing data atop a telephone tower, the Tab Active5 can handle the pressure like a pro. Tough, reliable and ready to face hectic days ahead. Fuelled by an Exynos 1380 processor and memory that is expandable up to 1TB with a MicroSD card,[6] this tablet is ready for any task you throw at it. And with the fast-charging, swappable 5,050mAh battery,[7] you can keep doing what you're doing for longer. You can even use it without a battery with No Battery Mode—if it's plugged into a kiosk or vehicle.

SAMSUNG

Your next task, super-fast.

Stay connected with your team, no matter how challenging the terrain. The Tab Active5 has got your back with both Wi-Fi 6 and 5G mobile connectivity[8]—your lifeline when support is just a call away. Whether you're navigating a bustling store or deep within a warehouse, count on reliable connectivity.

Wi-Fi 6 is a game-changer, ensuring seamless roaming between access points and ultimate performance, even with a flurry of connected devices. Add in the low latency and reliability of 5G, and you've got real-time data sharing at your fingertips, wherever you roam. Plus, dual-band GPS provides pinpoint location tracking, coupled with Knox Asset Manager to keep tabs on those missing devices. With this tablet you can work confidently, knowing you're covered, no matter where your work adventure takes you.

Press to impress.

Get more done with just a single click—no need to take off those thick gloves. Press the handy physical Active Key and hey presto, launch any app you want in an instant—perfect for when your hands are full. Plus, administrators can even map the Active Key fleet-wide with Knox Mobile Enrollment for the ultimate in efficiency.

The Tab Active5 features a brighter screen[9] with Vision Booster, making workstreams easier to navigate. Plus, with Microsoft Teams[10] push-to-talk voice calls, your tablet transforms into a powerful walkie-talkie. Take it anywhere, even into bustling environments.

Galaxy Tab Active5 Technical Specifications

Design:
- 213.8 x 136.8 x 9.9mm 227.6 x 130.8 x 13.8mm (w/Protective Cover)
- 8.0", 16:10, 120Hz, QUXGA, TFT, 600nits display
- 433g

Performance:
- Exynos 1380
- Memory + Storage: 6+128GB, microSD card (Up to 1TB)[6]

Battery:
- 5,050mAh[7]
- Replaceable battery
- No battery mode
- USB 2.0 Type-C
- 15W Fast Charging
- POGO for charging[2]

Durability:
- Gorilla® Glass 5
- IP68[4]
- MIL-STD-810H
- 1.5m drop (1.8m with case)

In The Box:
- Device
- S Pen
- Battery[3]
- Travel Adaptor
- Protective Cover
- Data Cable
- QSG (Quick Start Guide)

Connectivity:
- LTE: Cat.11(4CA)
- 5G: Sub6 DL 2.3Gbps, UL 0.6Gbps
- Wi-Fi: 802.11 a/b/g/n/ac/ax 2.4G+5GHz, Wi-Fi Direct
- Bluetooth: BT5.3
- USB: USB 2.0
- GNSS Support: GPS Dual Band(L1+L5), Glonass, Beidou, Galileo, QZSS
- NFC: UICC
- Samsung DeX

Camera:
- Rear: 13MP
- Front: 5MP

Sensor:
- Accelerometer
- Gyro sensor
- Geomagnetic sensor
- Light sensor
- Proximity sensor
- Hall sensor
- Fingerprint sensor

Audio:
- Speaker: Mono, 1.2W
- Microphone: 2 Mic
- Ear Jack: 3.5Ø

SIM:
- SIM1+eSIM

1. 5G requires optimal 5G connection and actual speed may vary depending on market, carrier, and user environment. 2. POGO charging dock sold separately. 3. Additional Battery sold separately. In the case of extra replaceable batteries, only Samsung-certified products are compatible for use. 4. IP68 is based on test conditions for submersion in up to 1.5 metres of freshwater for up to 30 minutes. Not advised for beach or pool use. Water or dust damage not covered by warranty. Rinse residue/dry after wet. Not advised for beach or pool use. 5. Device tested to withstand drops up to 1.8m with protective cover. 6. MicroSD card sold separately. 7. Typical value tested under third-party laboratory condition. Typical value is the estimated average value considering the deviation in battery capacity among the battery samples tested under IEC 61960 standard. Actual battery life may vary depending on network environment, usage patterns and other factors. 8. 5G requires optimal 5G connection and actual speed may vary depending on market, carrier, and user environment. 9. Compared with Tab Active3. 10. Microsoft Teams application and license required.
